What do we use your data for?

Some of the data is collected in order to ensure error-free provision of the website. Other data may be used to analyse your user behaviour.

Data protection

The operators of these pages take the protection of your personal data very seriously. We treat your personal data confidentially and in accordance with the statutory data protection regulations and this data protection declaration.

When you use this website, various personal data are collected. Personal data is data by which you can be personally identified. This Privacy Policy explains what information we collect and how we use it. It also explains how and for what purpose this is done.

We would like to point out that data transmission on the Internet (e.g. when communicating by e-mail) can have security gaps. Complete protection of data against access by third parties is not possible.

Note on the responsible office

The responsible body for data processing on this website is:

Telephone: 00 33 7 72251515

E-mail: efosacouncil@gmail.com

The data controller is the natural or legal person who alone or jointly with others determines the purposes and means of the processing of personal data (e.g. names, e-mail addresses or similar).

Withdrawal of your consent to data processing

Many data processing operations are only possible with your express consent. You can revoke consent you have already given at any time. All you need to do is send us an informal e-mail. The legality of the data processing carried out until the revocation remains unaffected by the revocation.

Right to object to data collection in special cases and to direct advertising (Art. 21 DSGVO)

If data processing is carried out on the basis of Art. 6(1)(e) or (f) DSGVO, you have the right to object to the processing of your personal data at any time on grounds relating to your particular situation; this also applies to profiling based on these provisions. The respective legal basis on which processing is based can be found in this data protection declaration. If you object, we will no longer process your personal data concerned unless we can demonstrate compelling legitimate grounds for the processing which override your interests, rights and freedoms, or the processing serves the purpose of asserting, exercising or defending legal claims (objection under Article 21(1) of the GDPR).

If your personal data is processed for the purpose of direct marketing, you have the right to object at any time to the processing of personal data concerning you for the purpose of such marketing; this also applies to profiling insofar as it is related to such direct marketing. If you object, your personal data will subsequently no longer be used for the purpose of direct advertising (objection pursuant to Art. 21 (2) DSGVO).

Right to complain to the competent supervisory authority

In the event of violations of data protection law, the data subject has a right of appeal to the competent supervisory authority. The competent supervisory authority in matters of data protection law is the State Data Protection Commissioner of the federal state in which our company is based. A list of data protection officers and their contact details can be found at the following link:

Right to data portability

You have the right to have data that we process automatically on the basis of your consent or in fulfilment of a contract handed over to you or to a third party in a common, machine-readable format. If you request the direct transfer of the data to another responsible party, this will only be done insofar as it is technically feasible.

SSL or TLS encryption

For security reasons and to protect the transmission of confidential content, such as orders or enquiries that you send to us as the site operator, this site uses SSL or TLS encryption. You can recognise an encrypted connection by the fact that the address line of the browser changes from "http://" to "https://" and by the lock symbol in your browser line.

If SSL or TLS encryption is activated, the data you transmit to us cannot be read by third parties.

Information, restriction of processing, deletion

Within the framework of the applicable legal provisions, you have the right at any time to free information about your stored personal data, its origin and recipient and the purpose of the data processing and, if applicable, a right to correction, restriction of processing or deletion of this data. For this purpose, as well as for further questions on the subject of personal data, you can contact us at any time at the address given in the imprint.

Right to restriction of processing

You have the right to request the restriction of the processing of your personal data. To do this, you can contact us at any time at the address given in the imprint. The right to restriction of processing exists in the following cases:

If you dispute the accuracy of your personal data stored by us, we usually need time to check this. For the duration of the verification, you have the right to request the restriction of the processing of your personal data.

If the processing of your personal data happened/is happening unlawfully, you can request the restriction of data processing instead of erasure.

If we no longer need your personal data, but you need it to exercise, defend or assert legal claims, you have the right to request restriction of the processing of your personal data instead of erasure.

If you have lodged an objection pursuant to Art. 21 (1) DSGVO, a balancing of your and our interests must be carried out. As long as it has not yet been determined whose interests prevail, you have the right to demand the restriction of the processing of your personal data.

If you have restricted the processing of your personal data, this data may - apart from being stored - only be processed with your consent or for the assertion, exercise or defence of legal claims or for the protection of the rights of another natural or legal person or for reasons of important public interest of the European Union or a Member State.

Cookies

Some of the Internet pages use so-called cookies. Cookies do not damage your computer and do not contain viruses. Cookies serve to make our offer more user-friendly, more effective and safer. Cookies are small text files that are stored on your computer and saved by your browser.

Most of the cookies we use are so-called "session cookies". They are automatically deleted at the end of your visit. Other cookies remain stored on your terminal device until you delete them. These cookies enable us to recognise your browser on your next visit.

Cookies that are required to carry out the electronic communication process or to provide certain functions that you have requested (e.g. shopping cart function) are stored on the basis of Art. 6 para. 1 lit. f DSGVO. The website operator has a legitimate interest in storing cookies for the technically error-free and optimised provision of its services. Insofar as other cookies (e.g. cookies to analyse your surfing behaviour) are stored, these are dealt with separately in our cookie policy. You can view our cookie policy by clicking on the link in the cookie policy banner, at the bottom of our homepage.

The provider of the pages automatically collects and stores information in so-called server log files, which your browser automatically transmits to us. These are:

- referrer URL
- Host name of the accessing computer
- Time of the server request

If you send us enquiries via the contact form, your details from the enquiry form, including the contact data you have provided there, will be stored by us for the

purpose of processing the enquiry and in the event of follow-up questions. We do not pass on this data without your consent.

The processing of the data entered in the contact form is therefore based exclusively on your consent (Art. 6 para. 1 lit. a DSGVO). You can revoke this consent at any time. For this purpose, an informal communication by e-mail to us is sufficient. The legality of the data processing operations carried out until the revocation remains unaffected by the revocation.

The data you entered in the contact form will remain with us until you request us to delete it, revoke your consent to store it or the purpose for storing the data no longer applies (e.g. after we have completed processing your request). Mandatory legal provisions - in particular retention periods - remain unaffected.

Enquiry by e-mail, telephone or fax

If you contact us by e-mail, telephone or fax, your enquiry including all resulting personal data (name, enquiry) will be stored and processed by us for the purpose of processing your request. We do not pass on this data without your consent.

The processing of this data is based on Art. 6 (1) lit. b DSGVO if your request is related to the performance of a contract or is necessary for the implementation of pre-contractual measures. In all other cases, the processing is based on your consent (Art. 6 para. 1 lit. a DSGVO) and/or on our legitimate interests (Art. 6 para. 1 lit. f DSGVO), as we have a legitimate interest in effectively processing the enquiries sent to us.

The data you send to us via contact requests will remain with us until you request us to delete it, revoke your consent to store it or the purpose for storing the data no longer applies (e.g. after we have completed processing your request). Mandatory legal provisions - in particular legal retention periods - remain unaffected.

Registration on this website

You can register on our website in order to use additional functions on the site. We use the data you enter for this purpose only for the purpose of using the particular offer or service for which you have registered. The mandatory information requested during registration must be provided in full. Otherwise we will reject the registration.

For important changes, for example in the scope of the offer or in the case of technically necessary changes, we will use the e-mail address provided during registration to inform you in this way.

The processing of the data entered during registration is based on your consent (Art. 6 para. 1 lit. a DSGVO). You can revoke your consent at any time. For this purpose, an informal communication by e-mail to us is sufficient. The legality of the data processing already carried out remains unaffected by the revocation.

The data collected during registration will be stored by us for as long as you are registered on our website and will then be deleted. Legal retention periods remain unaffected.

Processing of data (customer and contract data)

We collect, process and use personal data only to the extent that it is necessary for the establishment, content or amendment of the legal relationship (inventory data). This is done on the basis of Art. 6 (1) lit. b DSGVO, which permits the processing of data for the fulfilment of a contract or pre-contractual measures. We collect, process and use personal data about the use of our Internet pages (usage data) only insofar as this is necessary to enable the user to use the service or to bill the user.

The collected customer data will be deleted after completion of the order or termination of the business relationship. Statutory retention periods remain unaffected.

We only transmit personal data to third parties if this is necessary within the framework of the contract processing.

Further transmission of data does not take place or only if you have expressly consented to the transmission. Your data will not be passed on to third parties without your express consent, for example for advertising purposes.

The basis for data processing is Art. 6 para. 1 lit. b DSGVO, which permits the processing of data for the fulfilment of a contract or pre-contractual measures.
